

THE MONSTERS' SUPPER

A HALLOWEEN MURDER · HOW TO PLAY

WHAT IS THIS GAME?

Tonight we are all **classic monsters**.
A monster hunter came to dinner...
and at midnight he was **murdered**.

One of us did it. **Let's find out who.**

THE HOUSE

This is where it happened.

The map is on **page 8** of your file. Use it to work out who could have been where.

TWO TEAMS

Team Killers

2 players

The **Murderer** and the **Accomplice**.
They want you to vote for the **wrong person**.

Team Investigators

6 players

Everyone else.
They want to vote for the **Murderer**.

Never say your team out loud.
Never show those pages. Not even as a joke.

How the night goes

0 Introductions: show your drawing, read your box

1–4 Four chapters, about 15 minutes each

 The Final Vote

About an hour and a half of murder.

ONE CHAPTER = 5 STEPS

1. Clues

The clue holder reads 2 cards.

2. Lines

Everyone reads their line.

3. Your turn

1 free question + 1 activity.

4. Open talk

4 minutes, hands up.

5. Point

On three, point at a suspect.

WHO TALKS WHEN

Clues & Lines

Only the person reading talks. Everyone else listens.

Your turn

Only **you** and the person you ask. Everyone else waits.

Open talk

Everyone — but **one at a time**. Raise your hand.

The clue holder keeps time and picks who speaks.

THE FREE QUESTION

On your turn you can **always** ask one question to anyone, out loud. **Any** question.

"Where were you at midnight?"
"Why did you leave the table?"

They answer out loud, 30 seconds max...
and **they are allowed to lie.** 😈

WHAT IS TRUE?

Always true

Clue cards
Your lines
Your secret
The YES/NO screen

Can be a lie

Anything people **say** while talking.

Killers will lie. A lot.

THE YES / NO SCREEN

Someone asks you a question with an activity.

Phone against your chest. Scroll to **YES** or **NO**.

Show it **only to them,** 2 seconds. Scroll back.

⭐ On YES/NO **everyone tells the truth**. Even the Murderer.

GOOD QUESTION, BAD QUESTION

✔ “Were you in the kitchen at midnight?”

✔ “Did you touch the window?”

✔ “Did you see someone in the hallway?”

✘ “Are you the Murderer?”

✘ “Which team are you on?”

Ask about **places, times and things**. Never about teams.

ACTIVITIES

You have **4**, one per chapter.

Each one works **once**.

Use them on **your turn**.

Say its **name out loud**, then do it.

Exceptions: **BLOCK** works any time someone targets you.
Vote activities work at the vote. The page always tells you.

EXAMPLE: A PERFECT TURN

🎯 It's the **Mummy's** turn. Everyone else is quiet.

❓ Free question: *"Werewolf, where were you at midnight?"* – *"In the kitchen, eating."*
(Maybe a lie!)

🗣️ Follow-up: *"Who saw you?"* – *"...Nobody."*

🎃 Activity: *"I use **Secret Question**! Werewolf – were you on the balcony at midnight?"*

📱 The Werewolf secretly shows **YES**. Caught! Only the Mummy knows... for now.

(The Mummy and the Werewolf are not in tonight's game – it's just an example.)

DON'T DO THIS

- ✘ Talking during someone else's turn
- ✘ Opening someone else's file
- ✘ Scrolling the clues past the card back 🎃
- ✘ Lying on the YES/NO screen
- ✘ Saying your team out loud

Everything else — lies, bluffs, alliances, drama — **is the game.**

THE FINAL VOTE

1. Everyone accuses someone in one sentence (or passes)
2. Everyone writes **one name** in their phone's Notes
3. On three — everyone flips their screen
4. Most votes = the accused

Tie? 30 seconds each to defend, then a hand vote. Still tied? Killers win.

WHO WINS?

The accused **is the Murderer**

Investigators win!

The accused is **anyone else**
(even the Accomplice)

Killers win!
