

THE CLUES

FOR THE CLUE HOLDER

HOW IT WORKS

1. This file holds the **8 clue cards**, two per chapter, in order.
2. Between every clue there is a **card back** 🎃. Always stop on a card back.
3. Step 1 of each chapter: scroll to the clue, read it out loud, do its effect. Scroll to the next card back, read the second clue the same way.
4. Then stop on the card back. **Never scroll ahead** – you're playing too!

YOU ARE ALSO THE TIMEKEEPER

Your turn ≈ 1 min each · Open Talk 4 min · defence 30 s. In Open Talk you point at who speaks.

Giacomo's House

The study window opens onto the balcony.
The bathroom door faces the study door, across the hallway.

CHAPTER 1

Stop here. Scroll only when the table is ready.

CHAPTER 1 · CLUE 1 OF 2

THE BODY

At 00:05 Beetlejuice breaks down the study door. Professor Van Helsing is dead in his chair. The door was **locked from the inside** and the key is in his own pocket. His skin is ice-cold, his face **frozen in terror, stiff as a statue**, his glass of red wine **frozen solid**, and his pocket watch stopped at exactly 00:00.

⚡ EFFECT — DO IT NOW

Going around the table, everyone says out loud where they were at midnight. (You may lie.)

Everything on this card is true.

CHAPTER 1 · 2ND CLUE

Stop here. Scroll only when the table is ready.

CHAPTER 1 · CLUE 2 OF 2

THE BLACKOUT

At **23:59** the whole house went dark for four minutes. In the hallway the **fuse box is scorched black**, its cables half-melted — as if something drank the electricity straight out of the wall. On the hallway floor: **wet, webbed footprints** leading to the study door.

⚡ EFFECT — DO IT NOW

Frankenstein's Monster — the only guest who runs on electricity — must say where he was at 23:58.

After the clues: 2 · Lines → 3 · Your turn (1 free question + 1 activity each) → 4 · Open Talk 4 min → 5 · Point.

CHAPTER 2

Stop here. Scroll only when the table is ready.

CHAPTER 2 · CLUE 1 OF 2

THE HANDPRINT

On the Professor's shoulder, burned into his coat in frost: **a small handprint**. Five slim fingers. **No claws, no webbing, no stitches.** It is the print of the hand that killed him.

⚡ EFFECT — DO IT NOW

Everyone holds up their hands for the whole table to see.

Everything on this card is true.

CHAPTER 2 · 2ND CLUE

Stop here. Scroll only when the table is ready.

CHAPTER 2 · CLUE 2 OF 2

THE MISSING BOOK

The Professor arrived tonight with the **Book of Endings**: one page for every monster at this table, explaining how to destroy them. **The Book is gone.** The study window, which opens onto the balcony, is **wide open**.

⚡ EFFECT — DO IT NOW

Going around the table, everyone says in one sentence: which page of the Book of Endings would scare their monster the most?

After the clues: 2 · Lines → 3 · Your turn (1 free question + 1 activity each) → 4 · Open Talk 4 min → 5 · Point.

CHAPTER 3

Stop here. Scroll only when the table is ready.

CHAPTER 3 · CLUE 1 OF 2

THE SCENT

The study smells of **fresh jasmine** — but there are no flowers in this house, and jasmine doesn't bloom in October. The smell is strongest by the wall the study shares with the hallway.

⚡ EFFECT — DO IT NOW

FREE QUESTION: the player sitting to the **left** of whoever holds the clues may ask anyone one Secret Question (YES/NO, answered secretly).

Everything on this card is true.

CHAPTER 3 · 2ND CLUE

Stop here. Scroll only when the table is ready.

CHAPTER 3 · CLUE 2 OF 2

THE BARBECUE

The Book of Endings is found hidden **inside the barbecue** on the balcony, singed but whole — except **two pages torn out**: "How to Unmake the Stitched Man" and "How to Banish the Restless Dead". On the grill lid: a **huge, stitched handprint**. In the coals: ash of burnt paper.

⚡ EFFECT — DO IT NOW

Frankenstein's Monster has 20 seconds to explain, out loud, what his handprint is doing on that grill.

After the clues: 2 · Lines → 3 · Your turn (1 free question + 1 activity each) → 4 · Open Talk 4 min → 5 · Point.

CHAPTER 4

Stop here. Scroll only when the table is ready.

CHAPTER 4 · CLUE 1 OF 2

THE FROST

The coroner's verdict: a vampire's chill does not freeze, a gorgon's stare leaves stone, not frost, and no spell or ray gun was used in that room. Frost like this is left only by **a spirit with no body — something that walks through walls**. On the hallway side of the study wall, right beside the fuse box, there is **a patch of frost the shape of a woman**. On the study floor: tiny flakes of frozen paper — **the ghost page, crushed to snow**.

⚡ EFFECT — DO IT NOW

The two guests without a body — **the Ghost** and **the Banshee** — must each say where they were at oo:oo.

Everything on this card is true.

CHAPTER 4 · 2ND CLUE

Stop here. Scroll only when the table is ready.

CHAPTER 4 · CLUE 2 OF 2

THE PROFESSOR'S DIARY

In the Professor's coat, a small diary. The last entry, in shaky ink: *"23:15 – I told her what I will do at midnight. She smiled so sweetly. Too sweetly."*

⚡ EFFECT — DO IT NOW

This is the last clue. Play this chapter as usual – then the Final Vote begins.

After the clues: 2 · Lines → 3 · Your turn (1 free question + 1 activity each) → 4 · Open Talk 4 min → 5 · Point.

THE END

Stop here. Scroll only when the table is ready.

FINAL VOTE

No more clues. No more activities (except the vote ones).

One sentence each. Write a name in your Notes. On three — flip.
